

MANUFACTURING STRENGTH 生产制造

- Standardized production management system

- Skilled Manufacturing Process

manufacturing process 制造环节

Drawing design is the first step in clarifying lighting project specifications and details, our designers provide beautiful lighting designs

Laser cutting process

Machine tool processing

welding process

glass manufacturing process

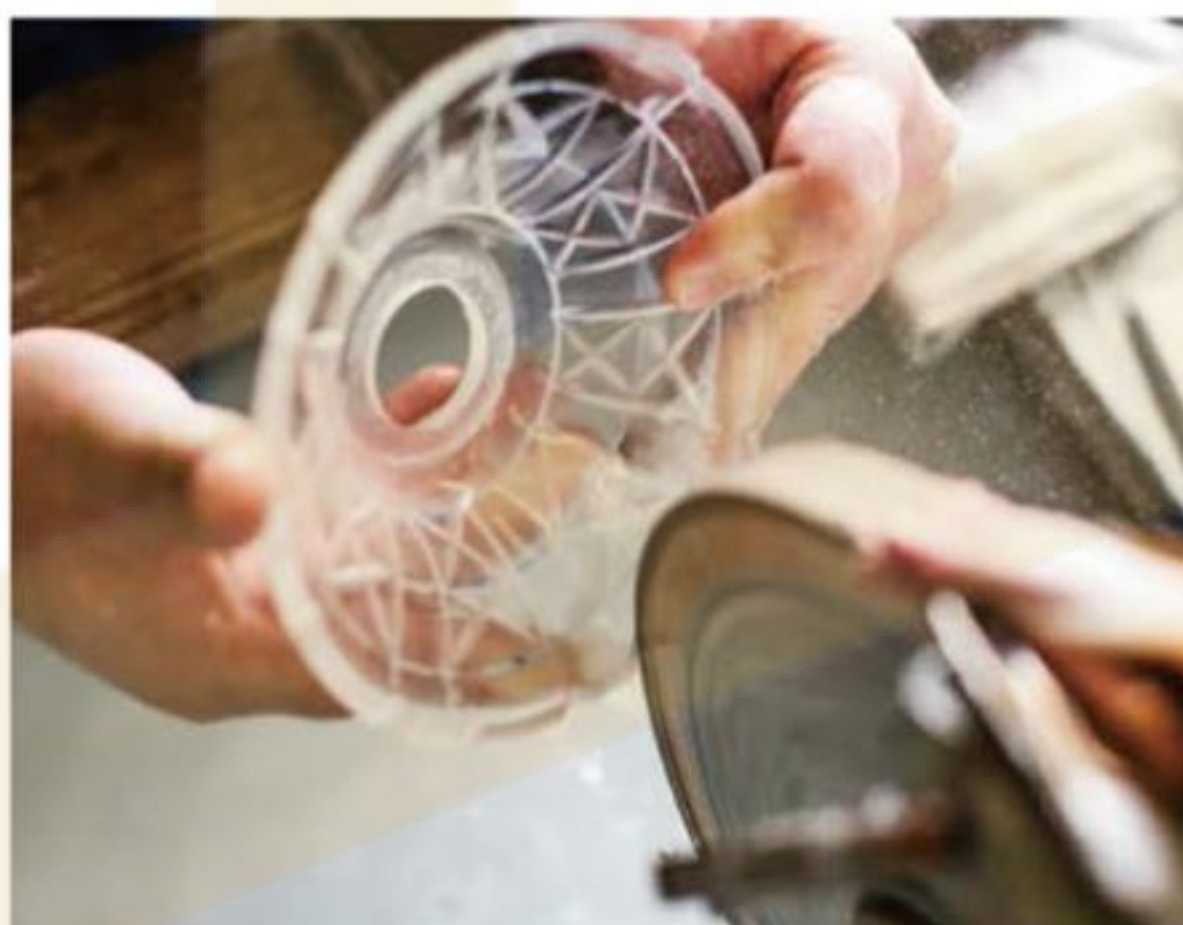

Parts production

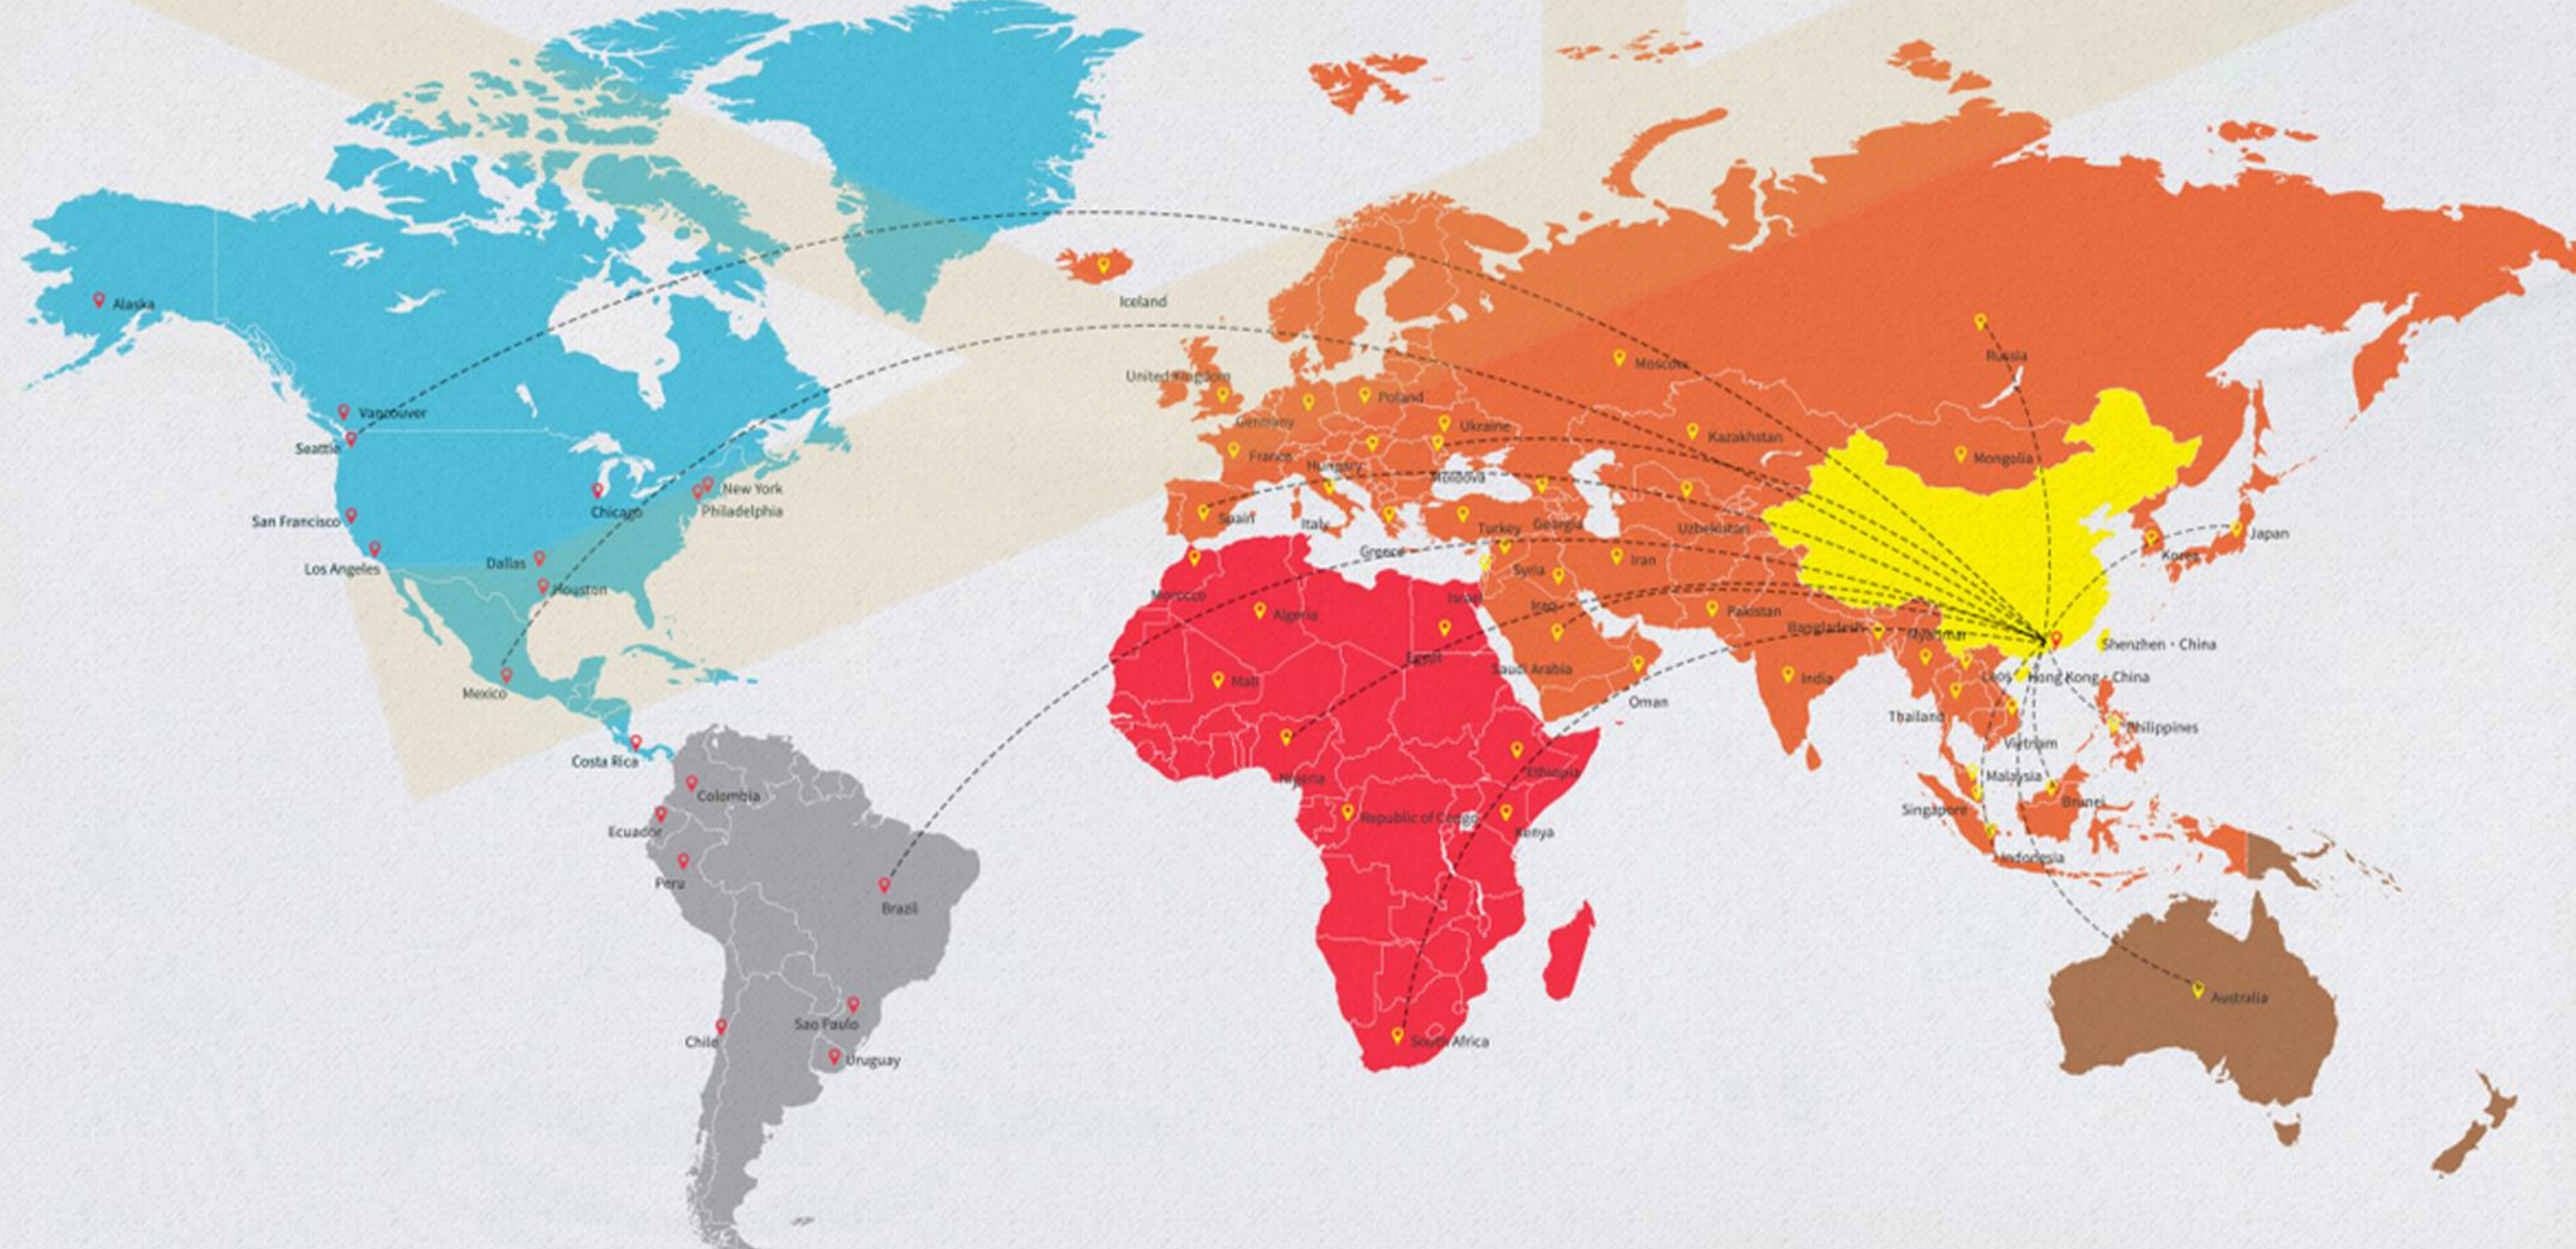

Parts production

CERTIFICATES

ORIGINAL DESIGN

**Collaborate with globally renowned designers to create
Leading the trend of "lighting and lighting"**

The total number of patent applications of the company has accumulated to 549

Among them, there are over 400 appearance patents

QUALITY AUTHORITY GUARANTEE 品质权威保障

China recognized laboratory

1. Quality inspection
2. Incoming Inspection
3. Assembly inspection
4. Semi-finished products inspection
5. Finished product inspection

ONE-STOP SERVICE
