1.2 Home Young Hotel Furniture

In recent years,HOME YOUNG has officially explored the market field of hotel furniture.

Aiming at modern business travelers, we have deepened and innovated our hotel furniture products, and created a series of hotel furniture system solutions for "star-rated hotels", "boutique hotels", "serviced apartments", "talent apartments" and "hardcover apartments". These solutions, with different styles, functions and tones, are targeted at segmented business travelers.

1.3 Development

About HOME YOUNG

1.4 Honors

The development and growth of the HOME YOUNG Group have received the support and recognition from all levels of government and authoritative institutions. It has won honorary titles such as High-tech Enterprise, Advanced Unit in Creation, Guangdong Famous Trademark, Top 500 Manufacturing Enterprises in Guangdong, Famous Trademark of Guangdong Province, Annual Quality Award in China's Home Furnishing Industry, and One of the 100 Most Promising Brands.

About HOME YOUNG

1.5 Business Sector

Personalized Mass Customization

Customization based on provided drawings and samples

To enhance product quality and craftsmanship, the group has established a Product Planning and Design Institute and engaged in industry-university-research cooperation with universities. It has an outstanding domestic and international design and R&D team of nearly 200 members. Leading products with R&D innovation, this powerful R&D team provides a solid guarantee for realizing private customization and personalized mass customization.

About HOME YOUNG

1.5 Market

In 2017, Home Young set up the OEM Key Account Project Dept. to serve specific clients and projects.

Following the global shift of the furniture industry chain, HOME YOUNG devised a brand strategy, centering on commercial furniture demand and hotel furniture.

By using advanced management systems and humanized concepts, HOME YOUNG guarantees product improvement and leads consumption trends.
